

AROUND THE WORLD FOR INGREDIENTS

The market is closed, so you'll have to collect the ingredients yourself.

Before you read: draw a ★ where you live.

While you read: each time the baker lands somewhere new, pause. Draw a line to that stop, check it off, and name the continent.

APPLE TASTE TEST

Have a grown-up slice four kinds of apples (Granny Smith, Honeycrisp, Gala, and one that's your choice of apple). Taste each one and circle a score from 1 to 5 on each element below (sweet, sour, crunchy, juicy). Then ask each member of your family which apple they liked best and color in the graph to find out the family favorite.
